

§ 501.19

(7) To allow the Postal Service to communicate with Postal Service customers on products, services, and other information otherwise available to Postal Service customers through traditional retail outlets.

(8) Any internal use by Postal Service personnel, including identification and monitoring activities relating to Postage Evidencing Systems, provided that such use does not result in the disclosure of applicant information to any third party or will not enable any third party to use applicant information for its own purposes; except that the applicant information may be disclosed to other governmental agencies for law enforcement purposes as provided by law.

(9) Identification of authorized Postage Evidencing System providers or announcement of the de-authorization of an authorized provider, or provision of currently available public information, where an authorized provider is identified.

(10) To promote and encourage the use of Postage Evidencing Systems as a form of postage payment, provided that the same information is provided to all Postage Evidencing System customers and no particular Postage Evidencing System provider will be recommended by the Postal Service.

(11) To contact customers in cases of revenue fraud or revenue security.

(12) Disclosure to a Postage Evidencing System provider of applicant information pertaining to that provider's customers that the Postal Service views as necessary to enable the Postal Service to carry out its duties and purposes.

(13) To transmit to a Postage Evidencing System provider all applicant and system information pertaining to that provider's customers and systems that may be necessary to permit such provider to synchronize its computer databases with information contained in the computer files of the Postal Service.

(14) Subject to the conditions stated herein, to communicate in oral or written form with any or all applicants any information that the Postal Service views as necessary to enable the Postal Service to carry out its duties and purposes under part 501.

39 CFR Ch. I (7–1–10 Edition)

§ 501.19 Intellectual property.

Providers submitting Postage Evidencing Systems to the Postal Service for approval are responsible for obtaining all intellectual property licenses that may be required to distribute their product in commerce and to allow the Postal Service to process mail bearing the indicia produced by the Postage Evidencing System. To the extent approval is granted and the Postage Evidencing System is capable of being used in commerce, the provider shall indemnify the Postal Service for use of such intellectual property in both the use of the Postage Evidencing System and the processing of mail bearing indicia produced by the Postage Evidencing System.
